Assessment Form (the "EAF"), which was prepared in part by using the New York State Department of Environmental Conservation's online EAF Mapper application; and supplemental information about the Project, including but not limited to a Joint Application Form for a permit/determination from/by the New York State Department of Environmental Conservation and the USACE to undertake activities (such as the Project) in a waterway, water body or wetland; and

WHEREAS, upon review of the Project, the Town Board has determined that the Project is subject to the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQR Regulations") (collectively, "SEQR"), and that the Project constitutes a Type I action under SEQR; and

WHEREAS, the Town Board intends to become the lead agency for the coordinated environmental review of the Project; and

WHEREAS, in accordance with the criteria in §617.6(b)(5)(v)(a) of the SEQR Regulations, the Town Board intends to become the lead agency because potential impacts from the Project would be primarily of local significance; and

WHEREAS, in order to establish a lead agency for coordinated environmental review of the Project, the Town Board requests that all involved agencies reply as soon as possible about whether they agree with the designation of the Town Board as the lead agency for the Project; and

WHEREAS, pursuant to §617.6(b)(3)(i) of the SEQR Regulations, the Town Board will assume that it has received consent to become the lead agency if an involved agency does not send a written objection within thirty (30) calendar days of the date of filing a Notice of Intent to Become Lead Agency.

NOW, THEREFORE, be it

RESOLVED that the Town Board hereby makes the following determinations:

1. The Town Board intends to become the lead agency for the coordinated environmental review of the Project.
2. The Town Board hereby provides an opportunity for involved agencies to submit written comment on the Town Board's intent to become lead agency, for a period of thirty (30) days from the date on which a Notice of Intent to Become Lead Agency is distributed to such agencies.
3. If after thirty (30) days' time an involved agency has not provided a written objection to the Town Board becoming lead agency, the Town Board shall assume that it has such involved agency's consent.
4. The Town Board hereby directs the Town's Supervisor to file a Notice of Intent to Become Lead Agency with all involved agencies, and to notify all such involved agencies of the deadline for acceptance of written objections to the Town Board's intent, in accordance with SEQR.
5. This resolution shall take effect immediately.

Whereas, Doan, Buick, GMC (developer / property owner) proposes to construct an enclosed drainage connection on the south side of New York State Route 104, in the Town of Greece, as shown on the proposed Work Permit plans prepared by BME, and

Whereas, the State of New York will only allow the enclosed drainage to be constructed and connected to the state highway drainage system if the Town of Greece accepts ownership and responsibility for all maintenance and repairs of the pipe from the green infrastructure/detention basin to the drop inlet manhole

Minutes of the Regular Meeting of the Town Board, Town of Greece, Monroe County held January 20, 2015 at the Town Hall, One Vince Tofany Boulevard, Rochester, New York at 6:00 p.m.

near the south curb line and maintenance cleaning of the same drop inlet manhole and its outlet pipe (labeled as a 20" steel pipe) to the pipe outlet at the concrete headwall on the north side of Route 104, and

Whereas, NYSDOT shall not be liable for any damage or injury to the developer / property owner, its agents, employees, or to any other person, or to any property covered by the Highway Work Permit.

Now, therefore, be it resolved:

Section 1. That upon construction of the enclosed drainage connection, the Town of Greece agrees to own, maintain and repair the pipe from the green infrastructure/detention basin to the drop inlet manhole and maintenance cleaning of the same drop inlet manhole and its outlet pipe to the pipe outlet on the north side of Route 104.

Section 2. To the fullest extent permitted by law, the Town of Greece agrees to defend, indemnify and hold harmless the State of New York, NYSDOT, and their agents from and against all claims, damages, losses and expenses, including but not limited to, claims for personal injuries, property damage, wrongful death, and/or environmental claims and attorney fees arising out of any such claim, that are in any way associated with the developer's / property owner's, activities or operations covered by the Highway Work Permit.

Section 3. That this resolution shall take effect immediately.

Section 4. That the Town Clerk is hereby directed to transmit two (2) certified copies of the foregoing resolution to the New York State Department of Transportation, 1530 Jefferson Road, Rochester, New York, 14623, Attn. David Gochring, Regional Traffic Engineer.
