## STATE OF EMERGENCY DECLARATION

A State of Emergency is hereby declared in the Town of Greece effective at 1:30PM on June 13, 2017.

The State of Emergency has been declared due to increased water levels and flooding along the Lake Ontario shoreline. This is not a travel ban, however, residents are advised to use caution when traveling along waterfront roads, due to potential situations that could threaten public safety.

This State of Emergency will remain in effect until rescinded by a subsequent order. As the Chief Executive of the Town of Greece, I William D. Reilich, exercise the authority given me under Section 24 of the New York State Executive Law, to preserve the public safety and hereby render all required and available assistance vital to the security, well-being, and health of the citizens of this Municipality.

I hereby direct all departments and agencies of the Town of Greece to take whatever steps necessary to protect life and property, public infrastructure, and provide such emergency assistance deemed necessary.
