A building permit expires **12 months** from the date of permit issuance. **Life safety – pools, pool decks, furnaces, etc. expire at 3 months.**  
 Application is hereby made to the building office for the issuance of a building/plumbing permit pursuant to Title 19 NYCRR Code for the construction of buildings, additions or alterations, or the removal or demolition as herein described. The applicant or owner agrees to comply with all applicable laws, ordinances, regulations and all conditions expressed on this application (which are part of these requirements), and also will allow all inspectors to enter the premises for the required inspections.
