Storage Trailers & Dumpster Requirements

- Fire Marshal Permit Application
- Permit Fee of \$80.00 per trailer and/or dumpster = \$_____
- Map/Site Plan of Property indicating distance to major structures and property lines.
 - **Minimum Separation Distance from all structures and/or structures under construction/renovation shall be 30 ft.**
 - For every 10ft increase in exposing wall length of the temporary Trailer/Dumpster, an additional 5 ft of separation shall be added to the 30ft minimum requirement.
 - Multiple units, less than 30ft apart, shall have the exposing walls added together for the purpose of determining separation distance.

Ref to NFPA 241 Chapter 4, Table 4.2.1 Separation Distances
